

Congestion Mitigation and Air Quality Improvement (CMAQ) Program

Save the date for a webinar which will provide an overview of the CMAQ Emissions Calculator Toolkit and an update on new tools.

Thursday April 26, 2018 from 2:00– 3:30 PM Eastern.

Pre-registration is required: Please register [HERE](#) by April 16th.

This webinar will include the following topics:

- Purpose of CMAQ Emissions Calculators
- Schedule for tool releases
- Approach to tool development
- Demonstration of tools for three project types

For questions, please contact:

Mark Glaze, FHWA Office of Natural Environment
(202) 366-4053
mark.glaze@dot.gov

Anjuliee Mittelman, USDOT Volpe Center
617-494-2706
anjuliee.mittelman@dot.gov

PLEASE NOTE WHEN REGISTERING:

FHWA has moved to a new webinar registration system. In the new system, EXTERNAL users (those without a USDOT email address) will have to request an account before they can register. Step-by step instructions on how to request an account can be found here: <https://connectdot.connectsolutions.com/esnnon-dotstaff/>

The account issuance takes approximately one business day. Once you receive your account information, you can access the site by clicking on the registration link and logging in. Please contact Webconference@dot.gov if you need technical support with registering.
